## The road trip of a lifetime

If you want to see some spectacular scenery, then take a road trip around Ireland! Part of the coastal route around Ireland is called the Wild Atlantic Way, <sup>1</sup>\_\_\_\_, of course, after the ocean it runs alongside. We had arrived by ferry in the early morning and our first view from our position on <sup>2</sup>\_\_\_\_, Ireland looked magical in the mist. And it got even more magical!

As we headed <sup>3</sup>\_\_\_\_ Galway up the west coast, we had frequent stops to take <sup>4</sup>\_\_\_\_ of the amazing views. I took photos of sharks, dolphins and huge cliffs!

The road <sup>5</sup>\_\_\_\_ in Ireland is one of the best in Europe, with Galway alone having over 6,000 kilometres of roads! However, we <sup>6</sup>\_\_\_\_ to the coast road since that was the most scenic. To keep <sup>7</sup>\_\_\_\_ to a minimum, we stayed in small hotels where we came into <sup>8</sup>\_\_\_\_ with the friendly locals. The Irish hospitality was something else!
